## Promoting Responsible Pet Ownership

To Whom It May Concern:

On June 16<sup>th</sup>, 2018, Lazy Dog Rescue will host the 1<sup>st</sup> Annual Low Rider Races and Pet Expo event in Valley Center, CA at the beautiful Agape Ranch Dog Sport venue. I would like to invite you to join us and become a Low Rider Race sponsor benefiting Lazy Dog Rescue.

First, let me tell you a little about Lazy Dog Rescue:

Lazy Dog Rescue is a 501(c)(3) non-profit, no-kill dog rescue organization specializing in the Low Rider Breeds: Bassets, Corgis, and Dachshunds. We rescue dogs from shelters at risk of being euthanized as well as abandoned, abused, and stray dogs. We also rescue many dogs from owners who are forced to surrender their dogs due to financial or personal issues. Our primary goal is to rescue and rehabilitate these dogs in loving foster homes until they are adopted into their permanent homes. We are a 100% volunteer organization that would not survive without the loving dedication and support of volunteers, foster families, and benefactors. 100% of all goods and funds received go towards the care of the animals in our rescue.

It will be so much fun to watch these “Low Rider” breeds race!! Dogs will be registered in 4 divisions depending on their size (we also have a cart/carriage division for the seniors or handicapped dogs), we will have racing heats to narrow down each of the divisions for the WINNER!! There will be vendors and other activities going on for all to enjoy throughout the entire day...

We have had a tremendously positive response to our Facebook and Instagram “Save The Date” advertising. Attendance is expected to be high, even for non-low rider pet owners. Everyone LOVES these breeds and curiosity to see them race at the beautiful Agape Ranch Dog Sport venue will bring many spectators.
